

# Haltech High Power Igniters

**Haltech Part # HT020032 (HPI4)**

**Haltech Part # HT020036 (HPI6)**

**Haltech Part # HT020040 (HPI8)**

## SPECIFICATIONS

<b>Overview:</b>	The Haltech High Power Igniter is capable of driving up to 15 Amps per channel, allowing ignition coils to reach their maximum coil energy. Available in 4, 6 & 8 channel packages, the HPI is an ideal upgrade for any transistor ignition system. When used in conjunction with a Haltech Platinum ECU, the HPI provides the perfect ignition system for any high performance engine.
<b>Engine Suitability:</b>	Various
<b>Features:</b>	HPI4 = 4 x Ignition Outputs HPI6 = 6 x Ignition Outputs HPI8 = 8 x Ignition Outputs
<b>Power Requirements:</b>	
Source:	8.6 to 16.5 Volts DC
<b>Physical Dimensions:</b>	
ECU Dimensions	Length: 55mm Width: 104mm Height: 40mm
<b>Weight:</b>	
ECU:	285g (0.62 lb)
Optional Harness:	395g (0.87lb)
